WEBSITE ACCESSIBILITY STATEMENT

Omnimotions LLC is committed to making its website accessible and usable for everyone.

We believe that everyone should be able to access information, explore our services and engage with our content, regardless of ability or technology.

We aim to make our website as accessible as reasonably possible and are committed to improving the user experience for visitors with disabilities. We recognise that accessibility is an ongoing process and continue to review our website to identify and address potential barriers.

We aim to align our website with the Web Content Accessibility Guidelines (WCAG) 2.1, Level AA, which provide internationally recognised guidance for improving web accessibility.

Accessibility Assistance

If you experience any difficulty accessing content, navigating our website or using any of its features, we welcome your feedback.

Please contact us at omnimotions@gmail.com with a description of the issue and the webpage where you encountered it. We will make reasonable efforts to assist you and provide the information you need in an accessible format where possible.

Ongoing Improvements

We are committed to continually reviewing and improving the accessibility of our website as part of our wider commitment to creating an inclusive and welcoming online experience. Last updated: November 2026 Omnimotions LLC
